

## Armonia Super Tuscan

*Obtained from a special selection of Tuscany Sangiovese, this wine shows its own character after a masterly refining.*

**Grapes:** Sangiovese Grosso 100%

**Vineyard:** Grown in the old vineyard handed down for generations to generations and a long history of selected clones, this fine wine is produced according to the high quality standards demanded by the market. The vineyard is situated at 300-350 meters above the sea level, and experiences one of the best south-southwest facing. Medium-mixture sandy and clayey soil, with typical Galestro marl and Alberese limestones.

**Wine-making:** fermentation in inox steel tanks oak casks at a controlled temperature lower than 25° C for 20-25 days that is the average suitable time for extraction of colour, polyphenols and tannins from the skin. After the alcoholic fermentation, the wine is placed in French oak barriques for malolactic fermentation

**Aging:** 10-12 months in 500 liters French oak barriques

**Refining:** The refinement in French oak barriques, and a further one in bottles for 6-12 months before merchandising better highlights the peculiar character of Supertuscans wines.

**Bottles produced:** 7500
